- In case of wedding cancellation less than 1 month and 15 days before the ceremony, 100% of the wedding package will be charged.
- If the bride and groom come with their DJ, the DJ must come with his own sound equipment before the day of the event and make a scheduled inspection visit by appointment at least seven (7) days before the date of the ceremony. Otherwise, Decameron will not be responsible for the sound quality. The Hotel does not provide the sound system to the said DJ.
- The Hotel cannot guarantee the availability of specific music even with the Decameron music operator. If the bride and groom want specific songs, they will have to provide them in advance to the resort wedding coordinator on a USB key, the day before the wedding for safety check.
- Decameron does not provide: wedding planner, coordinator, photographer, MC, religious celebrant, Marriage officiant (civil officer), makeup artist, hairdresser, DJ, decorations, sound system for reception. However, we can recommend some service providers (outside the hotel) with whom Decameron regularly work. Note that we are in no way responsible for the quality of service delivered by these vendors.
- Decameron logistics personnel are provided for the installation of the equipment belonging to Decameron. Please note that Decameron staff cannot be used to install decorations brought from outside by the customer or the service provider (supplier).
- Decorations and other materials brought from outside by the customer must be removed once the event is over. The Hotel is not responsible for objects or equipment during the event and left after it. (left on site after the event)
- For the "à la carte" option, two options must be chosen from the available menu. The quantities of each option chosen must be specified minimum 14 days before the wedding day.
- The "à la carte" option is not available for weddings of more than 20 guests.
- The SELECT package does not include: cocktail, breakfast in bed, golf car, 3 tiers cake and the symbolic ceremony.
- A preliminary inspection visit by the organizer (even if he already knows the space) at least 7 days before the day of the event is essential to ensure that the venue meets the expectations of the customer receiving the service and to check the condition of the premises in terms of reality, space and technical installation.
- If external electrical equipment must be connected to our internal network, an inspection visit is mandatory at least 7 days before the day of the event. A complete description of the equipment brought must be provided by the service provider to verify that it is suitable for our installations at least 7 days before the day of the event. Technical details of our installations can be provided on site during the inspection visit. Decameron cannot be held responsible in case of overvoltage, blackout, overload or other phenomena occurring during the event in case external equipment has been added. Decameron cannot be held responsible for materials coming from outside. This responsibility depends on the event organizer, who must ensure the proper planning and execution of his event by carrying out preliminary checks of the installations. If some equipment exceeds the electrical capacity of our network, a generator must be brought by the organizer/planner/decorator/service provider.
- No external equipment can be connected to our sound equipment.
- Changes or cancellations of any additional services follow the same cancellation conditions as the rooms and depending on the size of the group as detailed below in the contract.

 Guests have the obligation to respect social distance and personal protection measures during the event.  
 Background music only during the event not inciting to dance  
 The customer can provide a USB stick with the music he likes.

### Uses of Areas in the Hotel

Due to the gradual reactivation of national and international tourism, whilst still facing the current COVID-19 pandemic, some of the areas and services of our hotels have been temporarily suspended.

Due to the current conditions and the need to abide by the regulations of each country in which we are present, the possibility exists that you may encounter restricted zones and suspended services such as Spa, pool, discos and game rooms. In addition, some areas may have regulations of use of which must be adhered.

Our promise of service is based on excellence because you and your family #YouDeserveItAll; we will continue monitoring such conditions and taking steps to give you the best experience at an All Inclusive in Latin America and the Caribbean for your next vacation.

### Pre-check-in online mandatory 4 days before the room check-in
